Michelle sex vid the Holy Grail of porn

MICHELLE KEEGAN'S wedding night sex video would be the biggest porn hit of all time, experts said last night.

Former *Corrie* babe Michelle, 27, married 28-year-old TOWIE star Mark Wright at a star-studded ceremony in Suffolk last Sunday.

Pictures of the wedding filled page after page of showbiz magazine *Hello!* in a deal thought to be worth a cool £1.2million.

But the fee for those snaps and the vomit-inducing interview would be "chicken feed" compared to distribution rights for a wedding-night grumble vid.

An industry insider said: "If there was a video of Michelle Keegan and Mark Wright consummating their union as man and wife, it would make the Paris Hilton sex tape look like a low-budget indie flick."

There is no suggestion WHATSOEVER that the pair made a video of their wedding night – and pals said that, even if they did film it, selling the rights would be "unimaginable".

Girls star Lena: Everyone has seen my minge

RAUNCHY Lena Dunham claims EVERYONE on her *Girls* show has seen her FANNY.

The creator, writer and star of the comedy drama series revealed she has stopped wearing nude patches while shooting sex scenes.

And it means her minge has been exposed to all and sundry on the set.

Lena, 29 *(above)*, said: "I stopped wearing the nude patch after the first season of *Girls*.

"There's not one guy who works on that show who hasn't seen the inside of my vagina."

Lena said she ditched the patch while filming romps because it was uncomfortable.

She added: "The patch – you glue it over your vagina. It gets sweaty and always falls off.

"My male co-stars, at the end of the day, they don't care. They wear a penis bag."

BEDROOM GYMNASTICS: Janice is an accomplished ballerina

FROM BGT FOR BLOCKING BOG

AK IT UP WITH

By BARNEY SAMUELS
news@sundaysport.co.uk

A 30-STONE ballerina says her hopes of superstardom were dashed – because she blocked the bogs at a *Britain's Got Talent* audition with a massive POO.

Twinkle-toed Janice King claims she was asked to leave the London heats of the popular TV show when her post-lunch dump caused a minor flood.

Janice, 26, raged: "I can't believe I was thrown out before the judges even saw me – just because there was a little flood in the ladies.

"I'd had my favourite dinner of boiled eggs on waffles the night before the auditions, with lots of Tizer to wash it down.

"Unfortunately, that combination leads to quite a large stool and when I went to the toilet before my audition, it wouldn't flush away.

Rim

"I tried to break it up with a bog brush – that's when water started coming over the rim.

"When I went to get a supervisor they asked me to leave. I can only assume Simon Cowell has a standing order to throw out anyone who blocks the toilet.

"Nothing happens on *BGT* without Cowell's say-so."

When an estimated 10 million people sit down to watch tonight's final, Janice will NOT be among them.

She raged: "I'm boycotting the show – they are prejudiced against ladies who produce a larger stool."

Last night a *BGT* source said there was "very little concern" in Janice's boycott.

Stop taking the Piers out of Kel!

ANGRY Piers Morgan has rounded on critics of top model Kelly Brook (*above*), saying her achievements in America should be CELEBRATED – not ridiculed.

The babe recently appeared in US sitcom *One Big Happy*, only for the show to get cancelled by bosses.

But Piers, 50 (*below*), says the 35-year-old has still done more than most UK actresses.

He rapped: "I bumped into Kelly Brook at a party last night. Her comedy show just got cancelled and the media have been chortling on both sides of the Atlantic at her supposed ignominy and failure.

"Kelly just co-starred in a primetime show on NBC for its full run of six episodes.

"That's six more than most top British stars have ever got close to achieving in America.

"There's no pleasing some folk."

Piers himself was axed as a news anchor on US telly's CNN but not before he appeared on *America's Got Talent* for six years.

THE VOICE OF YOUR BRITAIN

Future of dogging in safe hands

WHEN the National Trust was established in 1895, its aim was to preserve the endangered historic houses of England and Wales.

Since then, with the accumulation of more power and influence, the Trust has widened its remit.

The National Trust now preserves more than mere bricks and mortar.

It preserves the ancient, beating heart of our nation.

To this end, the Trust has moved into protecting our landscape – which has inspired great artists and writers – and protecting the heritage of the Anglo-Saxon/Celtic peoples of these islands.

We therefore salute the Trust's purchase of a great slice of the Great Orme in north Wales.

The Orme is far more than a rocky outcrop with a cable car and some goats.

It is more, even, than the unique flora and fauna which populate its slopes.

For the Orme is a meeting place for the Great British dogger.

If land speculators and money men had their way, doggers would face a catastrophic loss of their habitat – their assembly points smothered in ghastly "new-build" homes or even, heaven forfend, golf courses.

Thanks to the National Trust, a great swathe of prime dogging land is safe.

Another reason to salute this fine institution.

Shame on those immoral Yanks

ON pages eight and nine of today's newspaper, it is our unhappy duty to expose yet ANOTHER vile assault on the integrity of our beloved Royal Family.

The "Tabloid Truths" website peddles a diet of digitally-concocted pictures, appearing to show members of our great Windsor clan in poses of hideous wantonness.

Needless to say, these images are fake – products of wild, diseased imaginings.

Although UK-operated, the site is hosted in the US – a nation which, back in 1776, in a fit of pique, threw aside the glory of the British Empire and the majesty of our monarchy.

Mired in the swamp of republicanism, this website perpetrates its obscenities.

We hope – and, on this Sabbath day, pray – that it shall wither under the harsh spotlight of our exposure.

Your country needs you

NOT long ago, this country voted in the General Election.

Tonight Britain has a far more important choice – the winner of this year's Britain's Got Talent final.

You have your vote – PLEASE use it.

WOLVERINE K LUST FOR BABE HANNA

SU Sp

Nut drained spuds FIVE TIMES over babe's pics in bike mag

By BARNEY SAMUELS news@sundaysport.co.uk

LIKE most mass murderers and comic book obsessives, Wolverine killer Jed Allen was a compulsive MASTURBATOR.

And we can reveal the blood-soaked 21-year-old choked his homicidal chicken FIVE TIMES over glamour favourite Hannah Elizabeth.

The scowling assassin became entranced by Hannah in an edition of *100% Biker* magazine in which she appeared on the cover.

Inside, the Liverpool-born beauty is draped over a huge Harley Davidson motorcycle.

Allen posted a picture of himself holding the mag on his Instagram account, and even boasted of repeated acts of self-pollution.

The body of 21-year-old Allen was found hanging in woods near Oxford, police said on Monday.

He'd been at the centre of a manhunt after the bodies of his half-sister Derrin Jordon, six, his mother Janet Jordon, 48, and his mother's partner Philip Howard, 44, were discovered at their home in Vicarage Road, Didcot, last Saturday.

Rampage

Det Supt Chris Ward, head of the Thames Valley Police Major Crime Unit, said: "Our thoughts are with the families of Janet, Philip and Derrin."

It emerged that Allen was obsessed with comic book hero Wolverine – played by Hugh Jackman in the *X-Men* movies – and had watched violent films before going on his death rampage.

A friend of the family said: "If he'd just spent a bit more time wanking and less time killing, this would have had a happier outcome for everyone."

Tube knob itch perv avoids jail

A PERV who played with himself on a Tube train has dodged prison after claiming he was rubbing his crotch because he had ECZEMA.

Kulbir Kalsi was seen "touching himself' by an off duty cop on July 21 last year on a packed Northern Line Tube train.

Blackfriars Crown Court heard how the 33-year-old was standing close to women as he "inappropriately touched himself".

The court was told how Kalsi, of Croydon, south London, was followed by the officer and promptly arrested, but later claimed that he had an "itchy patch of eczema" on his crotch and was simply itching it.

Kalsi was found guilty of outraging public decency and was handed a 10-month spell in jail, suspended for 18 months.

He was also handed a 10-year Sexual Harm Prevention Order, fined £500 and given an 18-month order.

DI John Justice, of the British Transport Police, said: "We will not tolerate inappropriate sexual behaviour of any kind and will do all we can to bring offenders to justice."

Indoors BBQ drunk chokes on banger

A MAN choked to death on a SAUSAGE he barbecued in his kitchen, an inquest heard.

David Dyer, 60, was found with "a sizeable chunk" of sausage at the back of his throat, Gloucestershire Coroner's Court was told.

Several empty bottles of cider were also found in the ex-brewery worker's flat in Gloucester.

A post mortem found a 5cm chunk of meat at the back of his mouth. Verdict: accidental death.

BUM FUN: Givens stuck a dog toy up his arse

A PROWLER was caught red-handed after his hiding place in the bushes was given away – by a squeaky DOG TOY lodged up his ARSE!

By SIMON DEAN
simon@sundaysport.co.uk

Career pervert Geoff Givens was lurking in the privets watching courting couples in a park in Northwich, Cheshire.

But the game was up when he shifted position to get a better look at some teenagers engaged in the popular recreation of "fingering".

His movement caused the bone-shaped soft plastic toy to let out a squeak – immediately alerting his victims to his presence.

Cops were called to the resulting hullaballoo and the unemployed 53-year-old was arrested and charged with voyeurism. After his arrest, Givens began to complain of "rectal discomfort" and was taken to hospital.

He was given an X-ray and the plastic toy was discovered in his arse chamber.

In court last week he pleaded guilty and was ordered to attend a lower-level sex beast course.

Odd

Last night Givens refused to discuss exactly why he had a dog toy up his crack.

He raged: "Go away. I have my right to privacy under the Human Rights Act. It's my human right to have a dog toy up my arse and not explain myself."

Neighbours described Givens as "an odd f**ker".

Tit's better than the ice bucket

THERE'S a saucy new rival to the 'Ice Bucket Challenge' – the 'Hold a Coke With Your Boobs' cleavage test!

Brits spent last summer dunking themselves with freezing cold water for charity before uploading video proof to the internet.

But it got boring quickly for most folks.

Thankfully there's a new viral footage fundraising campaign we can all get behind.

And it aims to raise dosh to help battle breast cancer.

The 'Hold a Coke With Your Boobs' promo urges women to nominate female pals to see if they can nestle a tin of the tipple, whose slogan is 'It's The Real Thing', between their norks.

It's the brainchild of American scouting agency Elite Talent Referral, whose Facebook page is fast filling-up with new videos.

Some BLOKES have even got involved, too – seeing if they can hold a beverage between their pendulous and hairy man boobs.

Suicide Miss caged for sex with girl, 14

A TEACHER who had sex with a 14-year-old girl has been jailed for 15 years.

Tonya Drueppel, 33 (*above*), was sentenced in court to two counts of sexual contact with a child younger than 16.

Drueppel, who worked at Axtell Parker Middle School, had a relationship with the teen from September 2012 to January 2014.

Five incidents took place in and around Sioux Falls, South Dakota, where local police investigated her after a tip-off from social services.

Drueppel was arrested on January 24, 2014, at a Sioux Falls motel after attempting to commit suicide.

When police arrived, she was trying to hang herself in the bathroom with an electrical cord.

She told officers: "I'm prepared to take full responsibility and face any consequences that come.

"I hope I can do a sufficient amount of time and still be able to raise my kids and be there for them."

We expose website peddling sick Royal fakes

By SIMON DEAN
Royal Editor

PALACE staff were being comforted last night after details emerged of a vile website which posts fake NAKED pictures of leading Royal ladies.

And the Tabloid Truths site doesn't end there – for it even contains digitally-manipulated images of Pippa Middleton and her princess sister Kate engaged in UNNATURAL sex acts.

For legal reasons, *Sunday Sport* has heavily censored these pictures from the site and the acts depicted in the elaborate forgeries are too distressing to be described in a family newspaper.

They include:

- Full NUDITY
- MASTURBATION of ERECT penises
- FULL penetrative sex
- TABOO – or anal – penetration

As well as Royal victims, Tabloid Truths embroils dozens of other celebrities in their seedy spider's web of digital deception.

The site cynically keeps within the law with a small disclaimer at the foot of the home page reading: "Some pictures displayed on this site are digitally retouched and altered photos of well-known people and are not intended to be a true representation of the celebrities or activities they engage in. They merely depict the fantasies of their creators.

"Celebrity fakes are compliant with the Fair Use laws of the US."

Last night a Royal source said: "The Royal Family rarely pull rank, but those who operate this website may be getting a visit from MI5. You cannot digitally besmirch the most-loved people in Britain and expect to get away with it.

"In a more reasonable age, the bastards behind this would simply have been hanged by the neck until they were dead."

Bit nippy out, Christina?

YOU'D imagine that Hollywood in May is not all that chilly.

But lovely R&B babe Christina Milian was still packing a pair of nips you could hang a wet duffle coat from.

With the pockets full of change.

The 33-year-old singer was spotted outside the Warwick nightclub on Sunset Boulevard.

One onlooker said: "Phwoar! I want to touch... but I won't. Not after what the judge said."

Police hunt 'Jabba the Hutt'

A JABBA the Hutt sex beast with "sticky out ears" is being hunted by police after a terrifying top-deck bus attack on a teenage girl.

The 17-year-old girl was travelling between Torquay and Newton Abbot when the short, "extremely fat" pervert – who bore an uncanny resemblance to slug-like Star Wars alien Jabba the Hutt – tried to chat her up.

A police spokesman said: "It was obviously a very distressing and pretty horrific experience for this girl. We want to catch this manbefore he tries to do it to someone else."

Cockpit nut's fight to ban 'cruel' word

ANIMAL rights nuts want to BAN the use of the word "cockpit" on aircraft – because they claim it encourages animal cruelty.

The word was used for the seating area of a coxswain – the man responsible for steering a ship – until the dawn of flight, when it was used to describe a pilot's seating area.

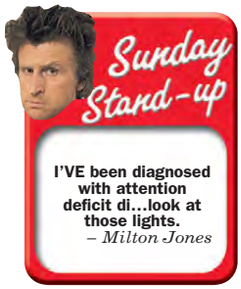
It was originally used for the pit where cocks would do battle in the ancient – and now banned – blood sport of cock fighting.

Daniel Armitage of animal rights group Blood-Less said: "When I hear the word 'cockpit' I feel physically sick.

"It harks back to the days when birds were forced to fight to the death for the enjoyment of cruel men.

"We should adopt the term 'flight deck' for the control area of an aircraft. And while we're at it, 'cocktails' should go, too. We'd prefer 'multi-ingredient alcoholic beverages'."

Last week PETA launched a campaign to change the name of Britain's oldest pub – Ye Olde Fighting Cocks in St Albans, Herts.



PEEPING TOM USED DRONE TO SPY ON NEIGHBOURS

By BARNEY SAMUELS
news@sundaysport.co.uk

A TECH-SAVVY sneak used a space age remote-control DRONE fitted with a tiny video camera to snoop on naked neighbours, a court heard.

Computer support operative Nigel Hart was caught when the buzzing from his contraption startled a woman who looked out of her bathroom window while taking a dump.

The woman – who cannot be named for legal reasons – told magistrates: "I was sitting on the toilet and had the window open, on account of the stench.

"There was an incessant buzzing sound, which at first I thought must be a swarm of bees.

"But when I looked out there was a flying contraption with what looked like a camera lens on the front.

"I stood up, not realising that I was exposing my nakedness to the camera. And my lower whiskers were dripping!"

The court heard that house to house inquiries revealed that Hart, 55, owned the flying device – a £40 Hubsan X4 minicopter.

When specialist detectives analysed the Bristol techs computer they found more than 300 hours of footage of neighbours in various states of undress on his hard drives.

Hart denied voyeurism and operating a hazardous aircraft in a built-up area but was found guilty by magistrates.

He'll be sentenced in July.

OUTRAGE AT 'CHURCHILL CRAVED THE COCK' CLAIMS

FANS of Winston Churchill have been enraged by a new book which claims the war hero Prime Minister was a closet GAY.

Michael Bloch's new book, *Closet Queens: Some 20th Century British Politicians*, examines a range of statesman for clues they may have been "good with colours".

Bloch writes: "As a schoolboy, Churchill may have had some encounter with the phenomenon at Harrow, which had one of the more homosexual reputations among the major public schools.

"And around the time of his 21st birthday, A. C. Bruce – a fellow subaltern in the Fourth Hussars – accused him of having 'participated in acts of gross immorality of the Oscar Wilde type' while they had been cadets at Sandhurst a few years earlier.

"Bruce had just resigned from the regiment, claiming Churchill and others had hounded him out of the Army on grounds of snobbery. His 'case' was taken up by the journal, *Truth*.

"Wary of libel, *Truth* did not refer directly to the homosexual allegations, but Bruce's father mentioned them in February 1896 in a letter to an officer who was buying his son's military gear.

"Less than a year after the trial of Oscar Wilde, which had ended with his being imprisoned for homosexual acts, this was the most serious imaginable slur. On being shown the letter, Churchill issued a writ for libel. Unable to prove the veracity of what he'd written, Bruce senior apologised and paid Churchill £500."

Bloch also points out that, throughout his career, Churchill surrounded himself with handsome young men. But the writer concludes it's unlikely he did any bumming while leading the country to victory over evil Adolf Hitler.

But respected historian Domiinc Sandbrook has since poo-pooed Bloch's suggestion.

He raged: "Bloch's efforts strike me as pretty desperate. Churchill was very obviously not gay, and after several pages trying to show that our wartime Prime Minister had gay friends, even Bloch finally has to admit that Churchill was 'a virtual stranger to physical homosexuality'.

"There is not the least evidence he so much as made eyes at another man."

ACCUSED: Churchill

BLOG BROTHER

Desperate Scousewives star & celeb blogger Jaiden Micheal joins Sunday Sport

A FEW housemates in, a few housemates out. That's as exciting as it has got this week in *Big Brother*.

Jade has been picked on constantly by most of the other housemates, which I find really strange as I've met the girl and thought she was a lovely lass with a big heart.

Aaron *(right)* has packed up his hot pants and pissed off home after being removed from the house for allegedly exposing himself to the other housemates whilst drunk.

He needed removing anyway – for being a huge TIT.

His friend, *TOWIE* star Gemma Collins, defended him on Twitter with some supportive messages.

I'm pretty sure if it was a straight lad acting this way to a female housemate, Gemma would be the first to kick off.

So many female celebs nowadays are full of double standards.

Especially those trouts on *Loose Women*.

AN insider has revealed that Dapper Laughs *(below)* could be heading into the *Celebrity Big Brother* house this summer.

The shamed "comic", who's about as funny as thrush, caused uproar after his sick jokes about rape.

And he has apparently been begging producers to sign him up so that he can try to relaunch his failed career.

If Channel 5 do get him on the show then they need closing down ASAP.

First, they sign up mouth on legs Katie Hopkins, who jokes about dying kids and fatal Scottish plane crashes. And now they might give a vile runt like Dapper Laughs another chance!

Whatever next? Rose West to enter *Strictly*?!

TOWIE producers have suspended my mate, Mario Falcone, over him plugging slimming pills online.

Mario has been promoting G'Rilla Burn Bullets on his Twitter and Instagram profiles for months, reeling in a load of chubby fans who want to lose some timber.

Can I just say that I was sent some of these tablets and they're actually fat burners, NOT slimming pills. There's a huge difference.

I found them helpful and safe, and Mario *(right)* hasn't forced anyone to buy them – so why the hell is he being punished?

If he was forcing smack into the arms of junkies then I could understand the uproar, but this is pathetic!

TOWIE seems to be losing all of its big stars lately after both Ricky and Dan quit.

Maybe the only way is DOWN for the Essex show...

JO AND KERRY BURTON

By SIMON DEAN
simon@sundaysport.co.uk

ANYONE who watched the iconic Channel Four documentary about *Sunday Sport* – called *Sex, Lies and Aliens* – will recognise the pert Burton Twins.

Kerry and Jo appeared in the 1997 doc singing their first single, *Sayonara Baby* – and little wonder!

In the late 1990s the pair appeared in almost every issue of *Sunday Sport* and our late sister paper, the *Daily Sport*.

And they were always together.

In fact, the twins do everything together – from having their first nose jobs aged 21 to identical breast enlargements, eye-lifts and tattooed eyeliner.

Straight

Twice a year they even have Botox together – at the same time, naturally, so they age at the same rate.

Beautician Kerry, who is the eldest by 15 minutes and mother to Drew, six, and Sienna, three, recalled: "Jo said she'd like a curve in her nose.

"I agreed that our noses were very straight and it seemed natural to go under the knife together."

Jo, who lives with partner Andy Ince, 46, and is a full-time mother to Jade, 12, and Evie-May, 10 months, said: "The surgeon even scribbled our initials on our stomachs so he didn't get muddled up."

Scout leader pulled his pud in the street

A SCOUT leader was caught WANKING on a street by two 16-year-old girls.

Timothy Klesel *(above)* – who is also a school caretaker – admitted two counts of outraging public decency after he was spotted pleasuring himself at around midnight on October 19 last year in Kingston, south west London.

One of the teenagers called police, who arrived and drove the girls around until they recognised the pervert.

Detective chief inspector Barry Smith said: "Klesel's behaviour clearly caused distress and alarm to the two teenage girls.

"Officers were alerted by the victims and we responded quickly to subsequently arrest Klesel.

"A full and effective investigation has reduced the risk to future victims."

Klesel, 50, was hit with a two-year suspended sentence at Kingston Crown Court.

Sir pulled pud in classroom

A TEACHER who was spotted WANKING in his classroom by a 15-year-old student has been found guilty of indecency.

The teacher – who admitted he was watching PORN at the time – had argued the classroom was not a public place and therefore he could not be found guilty of the offence.

But Judge Anne Kiernan disagreed, saying: "It was a teacher sitting in his classroom in the middle of the lunch break, masturbating. It was not reasonable for him to believe he could not be observed."

The student told other teachers what happened after seeing the man through a classroom window.

A complaint was made to police in Auckland, New Zealand, and he was suspended. The teacher resigned a month later.

A dad, played by Dwayne "The Rock" Johnson, races across earthquake-ravaged Los Angeles to rescue his estranged daughter.

Cue lots of buildings falling down and huge cracks opening in the earth – straight from the outtakes of *The Day After Tomorrow*.

Reviews are unanimous in calling *San Andreas* a load of old tripe.

But one critic hit the nail on the head with this review: "The one interesting thing I took away from this movie: Boobs. Carla Gugino = big boobs. Her daughter in the movie, Alexandra Daddario = big boobs."

GABI'S UNDERGROUND SOLO SEX SESSION

By ANN COATES
news@sundaysport.co.uk

GORGEOUS Gabrielle Saint lives in Edinburgh these days – but she always loves visiting London.

Not for the cheery friendliness of the whey-faced residents of the capital city, though – she just loves going on the Tube.

That's because the 32G stunna once had an orgasm during a journey on the Jubilee line!

She confessed: "It was late at night and the carriage was empty – I just got carried away. I started rubbing myself through my jeans.

"Before I knew it, I was climaxing right there on the train."

Gabrielle was visiting a pal when she experienced the underground pleasure.

The 27-year-old added: "I don't know what made me do it but I hope I wasn't caught on CCTV. It was a real thrill and even now when I get on the Underground I get excited at the memory.

"It was the most incredible Tube journey I've ever been on!

"It's better than any experience I've had on Edinburgh's trams, put it that way!"

Joey Essex JIZZ shame

By SIMON DEAN
simon@sundaysport.co.uk

TOWIE hunk Joey Essex's return to *8 Out of 10 Cats Does Countdown* was ruined by a SPUNK SHAMING incident.

The 24-year-old is helping *Countdown* babe Rachel Riley on the comedy hybrid show, after he was a hit on it last year.

Rachel, 29, posted a Twitter picture from rehearsals, showing young Joey with face cream on his mush.

But one social media follower dragged the innocent snap straight into the gutter.

The user, known as Graham, posted: "Is that spunk Joey?"

Last night a friend of Rachel Riley said: "Unfortunately, her Twitter feed does attract some people for whom cheap, crude jokes appear to be a way of life.

"It is the price of fame."

An un-spunked Joey Essex appeared on the show in September last year, when he vowed that he could handle the *Countdown* clock because he's "a good counter" and strangely got confused about whether or not he was on *Countdown*.

Katy's boobs... or BUST!

PLASTIC SURGEONS SWAMPED WITH REQUESTS FOR POP BABE'S KNOCKERS

POP babe Katy Perry's breasts are officially the world's favourites – among women who want boob jobs!

Plastic surgeons all over the globe have reported that when women walk into their consulting rooms, four times out of 10 they are carrying pictures of the 30-year-old *Wide Awake* singer.

One consultant told *Sunday Sport*: "Katy has one of the loveliest natural racks in the world and most ladies who come in for a bit of work say, 'I want them like THAT!'

"And these women are not to be dissuaded.

"You get between a woman and her Katy Perry boobs and you're asking for a whole mess of trouble!"

WILL CHERYL GET 'EM OUT FOR THE LADS?

Producers 'very excited' about acting move

NUDE ROLE: Brave Chezza may strip for screen part

WHISPERS that Brave Cheryl Cole is considering a move into acting have been greeted with whoops of delight in Hollywood.

And Tinseltown directors are queuing up to be the first to offer the Geordie poppet her first NUDE role.

Last week it was reported that Cheryl, 31, was considering a move into acting after former Girls Aloud bandmate Sarah Harding landed a role in ITV soap *Coronation Street*.

A pal said: "Cheryl has been feeling increasingly bored and despondent with the music industry and has been in talks for a while about having a career change.

"She loved doing performing arts as a child and Sarah starting on *Corrie* has given Cheryl a push to go for it and pursue a career as an actress."

She's also taken advice from Denise Van Outen, with the source adding: "Denise has recommended easing herself in with TV cameos first of all."

And movie bigwigs want to ease Cheryl OUT of her clothes.

One excited producer said: "We love Cheryl's hairspray ads but want to find a part where she can show what she's REALLY got…if you know what I mean."

Man demands bum burp ban

A MAN has written to his council asking them to ban SMELLY FARTS.

Last week, Pendleton, Oregon, updated local laws so that anyone smoking marijuana can be fined up to $500 if someone complains about the odour.

Now, local man Peter Walters has asked that council members take the next logical step.

In a letter to lawmakers, he wrote: "I read that Pendleton's city council has banned marijuana odour.

"Now that this important work has been completed, I hope that the council will move on to restricting the other offensive smell that plagues our community: farts.

"Some habitual farters argue that they need to fart for medical reasons but that doesn't mean my kids should have to smell their farts."

BIG BEAVE

While our version of the show's a snorefest, Polish BB's packed with punani

By BRAD CHADWICK
news@sundaysport.co.uk

THERE are three things that the Poles do better than us Brits...

Plumbing, tins of chopped pork and *Big Brother*.

There was a time when the reality TV show was the telly event of the year.

Wise men would say: "Oh, you always know it's summer when you hear the *Big Brother* music."

Now, of course, *Big Brother* is a shadow of its former self.

Channel 5 – very much the Farmfoods of TV stations – has tried its best to make the show entertaining by packing the house with the mentally ill.

But this year's series has hardly rippled the waters of public consciousness.

In Poland however, they're VERY different.

The producers of Polish *Big Brother* know there's a simple formula for success: boobs, minge, arse, shagging.

A source said: "This is top eastern bloc wank fodder. There's pure fanny everywhere you turn. It's great stuff."

Harry, who boasts 32C boobs, is from Barrow Upon Soar, Leics, and is a keen horse rider.

But her size 9 feet are her pride and joy.

She said: "I've got massive size 9 feet, so my best friend nicknamed me flipper. I get men with foot fetishes trying to chat me up all the time!"

MP watched porn vid in Parliament

AN MP has been caught watching PORN on his mobile during a Parliamentary session.

Joao Rodrigues, of Brazil's ruling Social Democratic Party, was seen watching a video on his phone, hidden under his desk *(above)* – and even shares it with other MPs who approach his seat.

Local media also released images of what was recorded from his mobile screen, allegedly of women "in very obscene positions."

While watching the video, Rodrigues had on his desk an invitation to attend a mass at the headquarters of Bishops of Brazil.

At the time of the incident, the Chamber of Deputies was in full session, voting on electoral reform.

Rodrigues said on Facebook: "I participate in nearly a hundred groups on WhatsApp and during the day I search and separate the wheat from the chaff.

"What interests me I keep or forward. What doesn't interest me, I delete. That was what I was doing – erasing the rubbish."

Soiled teen's crappy b'day

A GIRL had a not-so-sweet 16th birthday bash when it rained SHIT on her party.

Jacinda Cambray and her family and friends were enjoying themselves in the backyard when faeces came down on them.

Joe Cambray, Jacinda's stepfather said: "Out of nowhere, from the sky, comes a bunch of faeces, and lands on her.

"We just got done with cake. Thank God. We took the cake back in, because within two minutes, something fell from the sky. It was brown, it was everywhere, it got on everything."

The Cambrays reckon the poo came from a plane overflying their home in Levittown, Pennsylvania, US.

But federal aviation bosses denied this, adding: "The toilet tank valve is on the outside of the plane, and can only be opened by ground crew."

C4 COP NAKED

Bet she doesn't come quietly!

POLICE comedy-drama *No Offence* is about a group of cops on the front line wondering what they did to end up on the ugly side of Manchester.

Think *Shameless* – only with Dibble, rather than scrotes.

The team is led by DI Vivienne Deering, played by Joanna Scanlon, who starred as bossy press secretary Terri Coverley in political satire *The Thick of It*.

But she went undercover – indeed, without any cover at all – in the 2013 Charles Dickens movie, *The Invisible Woman*.

One onlooker said: "Eh, she's a big lass of her mam's – as me nana used to say. I bet she can shit a bit."

NO OFFENCE, TUESDAY, C4, 9PM

FOOTIE MUM SPIKED HALF-TIME ORANGES WITH LSD

AWAY TRIP: Kate Riddings (*right*) admitted lacing kids' fruit with powerful drug

By BARNEY SAMUELS
news@sundaysport.co.uk

A DOTING mum is facing jail after she spiked a kiddy football team's half-time oranges with a mind-bending drug – so her son's team might win a match.

Kate Riddings, 39, was in charge of refreshments at the last match of the Splint and District Under-11 league in Cumbria.

Her son – who cannot be named for legal reasons – was playing for Splint Spartans, who suffered a dismal 25 back-to-back defeats in the last season.

With Spartans losing 7-1 to Detroit Harriers at the break, Riddings decided to "even things up" by sprinkling what a court heard was "an LSD-like psychoactive substance" on the visiting team's oranges.

Muttering

Early in the second half, Harriers' players began stumbling about muttering incoherently.

Several then began screaming while one ran the length of the pitch yelping like a dog.

One witness told the court: "The little lads were clearly off their boxes. To be honest, it was just about the only amusing junior league match I've watched."

When the emergency services arrived, an apologetic and tearful Riddings confessed all to police officers and she was arrested on suspicion of poisoning.

Last week the mother admitted 11 counts of administering a noxious substance to a minor.

She will be sentenced in July.

Hunt is on for tiniest todger

A COMPETITION is hoping to find the world's SMALLEST PENIS!

Contestants will strip off to display their bits through evening wear and swimsuits at the annual competition.

The winner will walk away with £325, a crown and a sash at the competition in New York.

But organisers at the Kings County Saloon are struggling to find entrants.

They've now set up a website which lets anyone nominate their friends for the honour – and video submissions will be accepted.

Earlier this year, a celebration of minuscule members was held in the UK.

The Big Small Penis – launched to highlight the stigma of body shaming – promised to involve nudity, and "may contain nuts".

Serial flasher feels thong arm of law

A SERIAL flasher known as the Pink Thong Bandit has been arrested after a three-year reign of terror.

Gary Miller Jr, 37, always wore the striking pink ladies' panties when exposing himself in the quiet Sloan's Lake neighbourhood of Denver, Colorado.

Cops identified Miller *(above)* as their prime suspect last year, but it wasn't until a tip-off that they were able to corner the alleged creep on the north side of the city.

A police spokesman didn't know what he was wearing when arrested.

DID KYM QUIT TWITTER OVER ONLINE GUNGE PEST?

@msm4rsh would you get gunged for charity

STALKED: Poor Kym has been bombarded with gunge requests on Twitter

LOVE-SPLIT Kym Marsh fled social media after a follower bombarded her with GUNGE requests, it is claimed.

The *Coronation Street* actress, 38, said she is "having a break" from Twitter after dumping fiancé Dan Hooper earlier this month.

But we can EXCLUSIVELY reveal she was pursued by a GUNGE fan called @jakehammondjake!

Slimed

The unknown troll, who calls himself "Jake" and does not have a profile picture, has sent literally THOUSANDS of tweets to female celebrities.

And the requests all involve them getting gunged – or slimed – for an unspecified "charity".

In recent weeks, he has targeted HUNDREDS more A-list stars – including *Strictly Come Dancing*'s Tess Daly and busty Rachel Riley from *Countdown*.

And last month, Jake directed his attentions to former *Hear'Say* singer Kym.

On April 2 this year, the former *Popstars* winner, who joined the *Street* as Michelle Connor in 2006, tweeted a pleasant message about her family.

But twisted Jake replied: "@mrm4arsh would you get gunged for charity".

Thankfully, she did not dignify him with a response but close pals say Kym was left DEVASTATED by the remark.

One pal told *Sunday Sport*: "She's just split up with her fiancé – this is a very difficult time for her.

"Kym does not need to be dealing with gunge requests right now."

BUSTY *Corrie* actress Catherine Tyldesley was left SHOCKED after web trolls made sick comments about her mother's MINGE!

The 31-year-old, who plays barmaid Eva Price in the ITV soap, complained about her dry contact lenses on Twitter, posting: "Contact lenses and dry eyes are literally the Bain of my life! Driving me nuts! #nowtmoist".

Follower Jonny O'Halloran responded to her hashtag: "@Cath_Tyldesley not wat ya mam said last night".

She did not reply to the offensive tweet, but sources tell *Sunday Sport* the star was "deeply hurt".

A pal added: "Catherine just ignores the trolls."

DEANO ON SUNDAY

LAST week, our beloved former Prime Minister, Tony Blair "stood down" as the Middle East peace envoy.

You have to admit, he's done a hell of a job.

Before Blair, most of us looked at the Middle East and thought "What an astonishing clusterf**k. That must be a dreadful place to live."

After eight years in the post, he's pulled off what many thought impossible and the place is even WORSE now than when he began.

Same sort of trick he pulled in Iraq – and Britain.

THE BOUNTIFUL GAME

I HAVE no interest in football. This, I know, is heresy in Britain – where everyone is supposed to bow at the altar of a bunch of perfumed simpletons kicking a ball about.

But the mass arrests of FIFA officials has caught my eye.

I've looked through the names of the men arrested and many seem to come from South America.

South Americans engaged in corruption? Who'd a thunk it?

Wild-eyed lefties act like the Nazis

TARGET: UKIP MP Douglas Carswell

THE other day, UKIP MP Douglas Carswell was attacked by a mob of masked hooligans in broad daylight.

They were not robbers or muggers – they were a bunch of left-wing agitators who've convinced themselves that UKIP are the direct descendants of the Nazis.

But it is not UKIP who are acting like Nazis. It's the lefties who are the new stormtroopers.

And it's not just thugs in masks who are doing a passable impression of the Third Reich's finest.

Talk to a leftie and they are certain they are in the right. But not only this, they believe that anyone who holds a different opinion to theirs is not just wrong, but EVIL.

That's why lefties were so upset about the election result. They thought that a Tory win was proof Britain is infested with monsters who want to tear down hospitals and garrotte the unemployed.

They are convinced that the only response is violence and intimidation.

See that rail strike on the horizon? It's nothing to do with union members' pay. It's the lefty rail unions punishing Britain for returning a Conservative government.

An undermining of democracy, really.

Whether it's monstering democratically-elected MPs or bringing the rail network to a halt, the radical left convince themselves what they do is right – as they can't be wrong.

It's the sort of mentality that leads to Nazism.

PERT country star Taylor Swift has made it onto the prestigious Forbes list of the World's 100 Most Influential People.

Pah! This is nothing.

She's long topped the list of 100 Ladies Deano Wants To Watch Having a Tinkle.

Keeping killer dogs is idiocy

DANGEROUS dog attacks have DOUBLED in the past decade, according to official figures.

Needless to say, it's kiddies who are most often mauled – sometimes tragically to death – by these slavering hounds running amok on our streets.

Here's a thought. If you are stupid enough to keep a dog that can bite a bus in half, you are too stupid to own a dog.

In fact, if you are that stupid, you're probably a danger to the genetic future of our country.

So maybe a cull's in order – not of dogs...of f**kwits.

HORROR AT BINGO HALL

TRANNY GRANNY CHOKES TO DEATH ON FALSE TEETH

TRAGEDY: Juliet Birch gaged on her gnashers

© FACEBOOK

A TRANSSEXUAL OAP choked to death on her own false teeth when she became over-excited during a game of bingo.

But the game carried on as Juliet Birch lay gagging on the floor of the Reform Bingo Hall in Dewsbury, W Yorks.

It was only after someone yelled "house" that paramedics were called.

By BARNEY SAMUELS
news@sundaysport.co.uk

When ambulancemen did arrive, they were BOOED by players disappointed that their next game had been delayed.

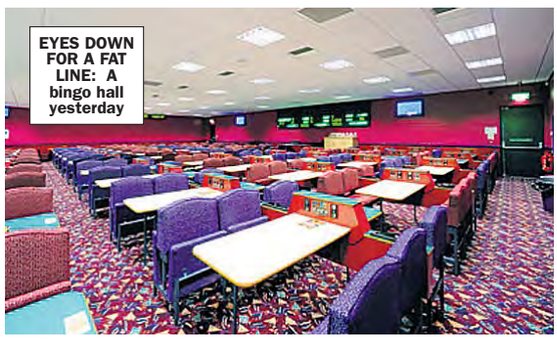
By the time Juliet – born Julian – was loaded into the emergency vehicle, she was already dead.

It's thought that 66-year-old Juliet had taken killer death drug cocaine in the toilets of the bingo hall before the fatal incident.

Last night a witness from the Reform Bingo Hall said: "We all knew that bloody freak were living on borrowed time, the amount of Charlie it shoved up its beak.

"Juliet used to say, 'Oooh, I'm a lady' like them trannies on the telly.

"Tell me, what sort of lady can get through half a gram of Bolivian in the same time it takes one of us to nurse half a shandy?"



EYES DOWN FOR A FAT LINE: A bingo hall yesterday

Collapsed

Our witness, who asked not to be identified for fear of reprisals, added: "Worst thing was, once she'd collapsed and started choking, some people wanted to stop the game.

"Stop a game of bingo in the middle? Are they mad? There would have been a bloody riot."

An inquest into Juliet's death has been opened and adjourned.

A friend in the tranny community said last night: "It's such a shame. Juliet only had her bollocks off last October. She had it all to live for."

Fancy a nice Reich-cream?

OUTRAGE has greeted a new brand of ice cream cone that is named after ADOLF HITLER!

Hitler ice cream is storming across India in a frozen snack blitzkrieg.

In some instances the controversial German statesman appears in cartoon form in a swastika-shaped top hat with a jaunty red bowtie.

Other packages depict him in full military regalia (*right*) with almost photographic realism, looking very out of place next to an ice cream that's almost as big as he is!

But all the boxes of cones have his famous small moustache on display.

News of the Hitler ice cream cones provoked a furious response on websites, with people calling for the brand to be withdrawn immediately.

One spectator in Berlin, said: "There is taste and there is tastelessness. The people of India should be made aware of the terrible crimes committed by him."

German newspaper *Bild* labelled the ice cream cones a "macabre publicity stunt", while several Twitter users also branded them "tasteless".

NATIONAL THRUST!

Conservation charity's latest purchase is dogging hotspot

Now THAT'S a raunchy outfit, Amanda!

PRUDES have got their big knickers in a twist over Amanda Holden's plunging necklines on *Britain's Got Talent*.

Well, they should be glad she wasn't wearing THIS getup on the ITV talent show!

After a daring outfit on last Monday's programme, the 44-year-old judge shocked the viewers of Wednesday's live episode with an even more revealing gown – slashed right to the NAVEL.

ITV and watchdog Ofcom received 59 complaints about Miss Holden's dress, while horrified parents took to social media to criticise the actress for choosing "inappropriate" clothing for a family show, broadcast between 7.30pm and 9pm.

Anna Busby said: "Hate to say this, as I love Amanda Holden, but really shocked at her dress tonight."

But a quick rifle through *Sunday Sport*'s picture files reveals Amanda has shown far more in the past!

PICTURE PERFECT: But Great Orme is a hotbed of filth

THE National Trust has bought 720 acres of coastline famous among sex people for DOGGING!

The Great Orme coastal outcrop near Llandudno, north Wales, is regarded as one of the top five most important botanical sites in Britain.

It's home to the unique cotoneaster flower and is also a habitat for two rare sub-species of butterfly only found on the Great Orme – the Grayling Thyone and Silver-studded Blue.

But, as well as the rare flora and fauna and the millennia of history, the Orme is also a haven for car-based RUMPY-PUMPY.

Respected dogging website Dogging 365 informs users: "Great Orme, Happy Valley in Llandudno great dogging and swingers place."

Rival site Dogging Direct points readers to: "Llandudno, the eastern side of the Great Orme".

By SIMON DEAN
simon@sundaysport.co.uk

The National Trust – which ensures the future of Britain's historic and natural heritage – paid £1million for the land on the Orme.

A Trust insider said: "The National Trust exists to protect stately homes and nice bits of countryside. We're NOT into providing refuges for sex people."

INSATIABLE: A typical night in Great Orme
megan dave Great Orme Happy Valley in Llandudno great dogging & swingers place, also the little beach at Llanddulas sees some sex action. Do you know if there are dogging areas near Bangor?

DUNGAREES-WEARING feminists can object until they are blue in their hate-warped faces.

But you will NEVER see anything better in life than a bird in sussies and stockings.

Our picture editor Mark Tate spent three weeks assembling this collection of the best sussies pics from the extensive *Sunday Sport* library.

As a result, Tatey's had to fly to Portugal for the week to cool off his bellend in a hotel pool.

The result of his efforts? Six astonishing pages of top glamour and showbiz babes in stockings and sussies.

As John F Kennedy once said: "Jesus! Give us a twang on that, missus!"

SUNDAY Sport INTERVIEWS ANDY McNAB

BRAVO TWO ZERO PANTIES: Author receives fans' knickers

BRAVO PHEW ZERO!

Horny women fans send SAS hero USED PANTIES in post

By TOM RHODES
news@sundaysport.co.uk

EX-SAS soldier Andy McNab has revealed that horny female fans send him their used KNICKERS!

The *Bravo Two Zero* author says he gets "underwear in the post" every time he publishes a new military book.

Speaking EXCLUSIVELY to *Sunday Sport*, the 55-year-old admits: "There are lots of female admirers. Actually, just under half of my readership are women.

"It happens in a cycle. I will release a new book and in about three weeks' time there will be underwear sent through my publicist.

"I'm also a patron for the military charity Help for Heroes and at their events women will start getting their BOOBS OUT!

"They ask me to sign them, but I always say, 'Alright, but make sure you donate £20 for the charity'. It's the best way to do it."

Andy's latest novel *State of Emergency* – featuring ace MI5 operative Tom Buckingham – hits shelves this week.

It takes place in the aftermath of a General Election, as the struggling government makes a deal with a far-right party to achieve a majority.

Power

Unfortunately, the party's charismatic leader Vernon Rolt is less interested in political stability than absolute power. So it's no surprise that former Sergeant Andy, from London, has lots to say about the rise of right wing politics in the UK and abroad.

He told us: "I've worked with the government to tackle both Islamist and right wing extremism – which is the basis for this book.

"It's obvious that groups like the English Defence League (EDL) were really targeting the military, claiming they support the troops and using that as a political tool.

"And that was when you also started seeing people travel to Syria to fight for the Islamic State.

"That got me thinking about a situation where you've got ex-military, right wing civilians *and* militant extremists coming back from the Middle East – both on the streets of Britain.

"Then you've got a politician like Rolt, who is well-financed and has military support, who starts preying on the fear of Islamic extremism. It's a dangerous cocktail."

THE MOST INCREDIBLE STORY YOU'LL EVER READ!
BRAVO TWO ZERO
THE HARROWING TRUE STORY OF A SPECIAL FORCES PATROL BEHIND THE LINES IN IRAQ

And despite claiming that the extremist right wing is "very, very minor" in the British Army – compared to the U.S. and Europe – Andy reckons a slick politician could still gain their support.

He continued: "If you have someone like Rolt – who is smart, articulate, and actually supports veterans – then the ex-military could easily fall into his tribe. They would feel cared for and understood.

"We've seen in many countries where that has already happened.

"So I took that concept and applied it to the UK, for *State of Emergency*.

"Thankfully, we don't have a right wing politician like that at the moment, and we're trying to keep those guys out."

Andy, who was at the centre of covert operations for nine years in the SAS, also spoke about how Britain should deal with young Muslims travelling to Syria to fight for ISIS.

He added: "Their brand is clearly working. There's more people who went to Syria to fight for ISIS than joined the reserve forces last year.

"Clearly, they've got the right message.

"And if a proportion of that buys into their ideology then you've got a problem.

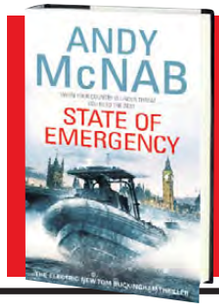
"The best way to combat ISIS is to attack their brand, so it's no longer 'sexy' or 'cool'. It cannot be an attractive option.

"Firstly, we need to stop telling young people it's not 'sensible' to join the right wing.

"An 18-year-old's brain is designed to do the wrong thing. They're not *supposed* to be sensible!

"So you need to attack the brand."

ANDY McNab's latest thriller *State of Emergency* is available now.



UK TORN IN NEW THRILLER

THE results of the General Election are in. The government has a majority to pull the country out of the grip of civil unrest – but at what cost?

They've made a pact with a far-right party, whose motivations are deeply suspect, led by the charismatic Vernon Rolt.

The UK is being torn apart by extremism on both sides and violence is spilling onto the streets – but is Rolt's 'zero tolerance' solution being controlled by darker forces?

So the MI5 recruits ex-SAS agent Tom Buckingham to work undercover in Rolt's organisation to find out the truth.

STUDENTS TALK SEX!

PAULA RIGG
AGE: 19
FROM: Stockport
STUDYING: Fashion
UNIVERSITY: Manchester Met
FAVE FOOD: Pasta & pesto
FAVE DRINK: Rose wine
FAVE FILM: *Pulp Fiction*
FAVE ACTOR: Samuel L Jackson

GEORGIE GRAY
AGE: 21
FROM: Kendal
STUDYING: Physiotherapy
UNIVERSITY: Manchester Met
FAVE FOOD: Corn on the cob
FAVE DRINK: Vodka and Red Bull
FAVE FILM: *Gone Girl*
FAVE ACTOR: Ewan McGregor

FIRST TIME
PAULA: It wasn't the best, but it wasn't horrible.
GEORGIE: I found it awkward.
PAULA: I thought I'd feel uncomfortable but I didn't.
GEORGIE: I wasn't sure what I was doing was right. It was my first time after all! He had more idea than I did. Well, as much as he could. The sex was OK, but it could've been better.

BEST SEX
GEORGIE: Random sex is the best sex.
PAULA: What, when they jumped out at you and shouted "Boo"?
GEORGIE: No! I mean when it's not planned and anything can happen. It has to be with someone I know. Random sex is different to being with a boyfriend.
PAULA: It's good when it's quite spontaneous, but sex with a boyfriend is much better.

CAUGHT OUT
PAULA: I was in a nightclub with this guy and we were in the toilets when the bouncers came in.
GEORGIE: Were you having full sex?
PAULA: Oh yes. It was fun. And it was certainly an experience!
GEORGIE: What did the bouncer say?
PAULA: Not much – he was the strong silent type. He just asked me for ID!
GEORGIE: He asked you for ID when you were having sex?
PAULA: No, after we were out of the toilet. I just remember running out. We didn't get barred because I went back two weeks later and they let me in. The bouncer was there and he just glared at me.
GEORGIE: My little sister walked in on us so we just pretended to play fight.
PAULA: Naked play fighting.
GEORGIE: We were under the covers so hopefully she wouldn't have known.

FAKING IT
PAULA: I have sympathy orgasms. I do it when they're trying really, really hard but it's just not happening.
GEORGIE: Sometimes I do it when I'm not in the mood. When it's not happening, it's just not happening. It's like a bad hair day.

PAULA: I don't do it all the time.
GEORGIE: If you did it all the time, the sex would be crap. I just can't tell them as it would hurt their feelings.

OUTDOOR SEX
PAULA: I nearly did it once. It was going to be my first time and I didn't want my first time to be on a golf course, so I made him stop. At least the grass was short.
GEORGIE: I've done it a few times. Once in an alleyway.
PAULA: Nice.
GEORGIE: In a field as well.
PAULA: I think everyone has done it in a field at some point.
GEORGIE: In a swimming pool.
PAULA: A swimming pool? Were there people in it?
GEORGIE: Yes, I was on holiday.
PAULA: What if people were wearing goggles? You could have traumatised some little kid!
GEORGIE: We moved away after a bit. There was a big slide and we were under that and you couldn't see behind it. It just looked like we were hugging.

ONE-NIGHT STANDS
GEORGIE: They're only wrong if the person you're having sex with doesn't realise it's just a one-night stand.
PAULA: I'd never go out and pick up a guy that I've never met before, but no-strings sex is good. When I came to university I thought one-night stands were bad, but they can be fun. Sex is better when you're going out with somebody, but one-night stands are good entertainment.

GEORGIE: I've only had one. I prefer being in a relationship or having sex with someone I know. I'm not in the habit of picking up a bloke I don't know because you never know what he's going to be like.

BLOWJOBS
PAULA: I don't like giving them.
GEORGIE: I don't mind.
PAULA: The whole concept of him peeing out of it is wrong.
GEORGIE: If I had a one-night stand, I definitely wouldn't be giving them a blowjob.
PAULA: If I cared about them I might.
GEORGIE: I only give blowjobs to people I care about or fancy.
PAULA: But you must have fancied them to have sex with them!
GEORGIE: Not always!
PAULA: Get a vibrator instead.
GEORGIE: If I was really intimate with that person, I think it would be rude to spit.
PAULA: I wouldn't swallow as I think I'd probably gag.

FAVE POSITION
GEORGIE: It changes with the mood I'm in. If I'm hungover and can't be arsed to do anything, I let him go on top.
PAULA: What's the point of having sex if you can't be arsed.
GEORGIE: If they're in the mood and haven't been out the night before, it's mean to deprive them.
PAULA: Then you become their sex toy.
GEORGIE: I don't really have a particular favourite – I like variety.
PAULA: I don't think I have a favourite, either. I like it on top and doggy. It's different for different people.

BUM FUN
GEORGIE: I think it's disgusting. It just makes me think that the guy doesn't want to look at you.
PAULA: I've never experienced it and never really thought about it.
GEORGIE: My boyfriend brought it up once, but I told him no chance.
PAULA: Don't you think it's a little bit worrying if a guy wants to do it?
GEORGIE: No. It's supposed to be really nice for them, a real turn-on.

GORGEOUS Jodie Gasson holds the Guinness World Record for putting on and removing the most bras in a minute!

But when we visited the 30F stunna at her Brighton pad, she was definitely more skilled at taking clothes OFF than wearing them.

The dazzling 25-year-old also revealed she'd like to get Prince Harry in the sack, saying: "He looks a right hunk. I would, that's for sure. It wouldn't matter if he wasn't a Royal.

"In fact, it'd be better if he wasn't. Imagine if we'd got off and he took me home to meet the Queen. I wouldn't know where to look, knowing what we'd been up to!"

Man Down
C4, 10pm

GREG DAVIES is best known as the scary teacher off *Inbetweeners,* but now he's back in this brilliant comedy where he plays Dan who is, like all great comedy creations, a total idiot.

Dan's been compared to Basil Fawlty and David Brent, which is high praise indeed. He's ably assisted by his dysfunctional pals – including that Roisin Conaty (the funny-looking one who's probably a dirty shag who often shows up on *Have I Got News For You*).

Missing from this series is Rik Mayall, who played Dan's father in series one. He couldn't get involved in the new season, on account of being dead.

IF you've not yet caught this quietly funny show about two British scriptwriters battling to keen their sanity in Hollywood, give it a try.

Stephen Mangan and Tamsin Greig are hilarious, as is Matt le Blanc off *Friends,* who plays – Matt le Blanc off *Friends.*

It's good, but has yet to live up to the moment in series one where Sophie Rundle *(right)* revealed her absolutely extraordinary breasts.

SUNDAY Sport SUNDAY STUNNA

AS you can imagine with a name like hers, Keegan is gutted that she's got to go a full summer without football.

The keen Ipswich Town fan is often to be found at Portman Road cheering on the Tractor Boys.

She said: "What's better than muscly men running round in shorts?

"I love watching football, and being at a match is so much better than watching it on telly.

"I love meat pies at half-time. I have to watch what I eat for my modelling, but there's always room for a bit of meat at the match!"

OF THE TELLY

with BARNEY SAMUELS

Join the missus for a weepfest

Britain's Got Talent Final
ITV, 7.30pm

THERE'S no getting away from the fact that *Britain's Got Talent* is the biggest show of the day. Even if you'd happily mince up Ant 'n Dec, then hurl their entrails to wild dogs, BGT is a telly phenomenon.

An estimated 10 million of us will tune in to see who will join the likes of Paul Potts, Diversity and Susan Boyle.

There's every chance you'll be watching this whether you want to or not, as the missus will be glued to it.

So this is an ideal time to load up on the lager and when it's all over, she'll be sobbing along with the winner. And you'll probably get your dick wet.

Talky bollocks, top tunes

The Nation's Favourite Queen Song
ITV, 10.15pm

BY the time *BGT*'s finished and the wife's gone to bed, you'll be pretty hammered, so what better way to delight the neighbours that a singalong with the late Mr Mercury and co.

These talking heads shows infest the telly schedules and, quite frankly, I couldn't give a tinker's cuss about what Noddy Holder thinks. Top notch tunes along the way, though.

Fast cars and girls? Result!

The Fast & The Furious
ITV2, 11pm

WE'RE now up to about film 43 of the Fast and Furious franchise and there's still no sign of the blockbuster juggernaut stopping.

This is where it all started, with Paul walker and Vin Diesel driving cars extraordinarily quickly while watched by top-notch blart such as Michelle Rodriguez and Jordana Brewster.

If it only seems like five minutes since you first saw *The Fast And The Furious*, brace yourself for a shock – it came out a staggering 14 YEARS AGO.

TUESDAY

A Lotto to live up to...

The Syndicate
BBC1, 9pm

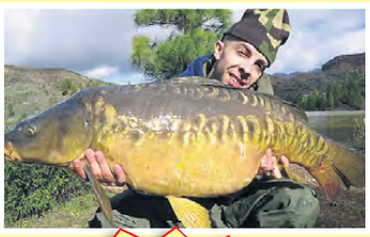
WE hesitate to recommend anything that stars Lenny Henry, who is becoming more and more tedious as time goes on.

But this is written by Kay Mellor, who did that *Band of Gold* a few years back and knows how to put together a bit of a drama.

The show features a bunch of folks who live on a big country estate in Yorkshire, who also happen to belong to a Lottery syndicate.

For our money, it's about 20 years too late for a Lottery drama – but we're gonna have a look anyway.

Watch Dappy get his rod wet. If you must



The Big Fish Off
ITV, 11.10pm

YEARS ago, you would have thought that anyone suggesting fishing would make good TV was in urgent need of psychiatric evaluation.

But then Australian Rex Hunt came long and angling exploded onto the box.

Tonight's episode of *Fish Off* stars Dappy out of N'Dubz, for f**k's sake. You probably didn't even know that he's a keen carp fisherman. And that's because you were probably too busy thinking, "What a twat".

I'll be tuning in, just on the off chance that Dappy falls in and drowns under the weight of his stupid hat.

DON'T MISS THIS!!!

Strike Back
Wednesday, Sky 1, 9pm

STRIKE BACK returns to Sky 1 for series five – and this final mission is set to be the most explosive yet.

If you like *24*, you'll love this Brit version starring Philip Winchester, Sullivan Stapleton, Robson Green, Max Beesley and Tim McInnerny.

The daughter of the British ambassador to Thailand is kidnapped while he's negotiationg with the North Koreans.

Cue motorbike chases, shouting, guns, more guns and LOTS of big explosions.

Great stuff.

Over 18s only. *Terms and conditions apply.

SEX MISS BANNED FROM WEARING SANTA OUTFIT

A FORMER science teacher has been banned from wearing a SANTA outfit for TEN YEARS after admitting having sex with a 14-year-old pupil.

Mother-of-two Irene Khan avoided jail after pleading guilty to having the year-long relationship with the youngster.

The 34-year-old began texting and calling the boy using the number he had written on a school notice board to catch the eyes of girls in his class.

For the next few months the pair would hook up in her car and apartment.

By BRAD CHADWICK
news@sundaysport.co.uk

Lewd

Cops later discovered information that led them to question the boy before Khan was detained.

Before the scandal broke she had been fired from the school for inappropriate behaviour – including showing off her tattoos to students.

The ex-teacher, who was charged with lewd and lascivious battery, entered a guilty plea.

Khan, from West Melbourne, Florida, was sentenced to two years of community control – a non-custodial punishment – followed by 10 years of probation.

She must register as a sex offender and was also forbidden from having any contact with children apart from her own.

The judge said that during that time she is not allowed to wear a Santa outfit or wear any costume that may appeal to children.

But there is no suggestion that a Santa suit played any part in her crimes.

If she violates the conditions, she could be jailed for 30 years.

An insider said: "The Santa outfit thing was a little joke on the judge's part. It was his last day."

Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience of our own Agony Angels! This week KYLA COLE has been reading your letters. Here's her advice...

Dear Kyla,

I'VE got a real crush on *Sunday Sport* babe Kyla Cole.

She's an absolute stunna and I always fantasise about slowly stripping her off before she starts to give me the most sensual blowjob ever.

And then, when she's totally satisfied me, I pull aside the gusset of her sopping wet panties and proceed to lick her out for hours on end.

I know I'll never get the chance to do it in real life but I'm more than happy doing it in my imagination.

Just to help out a bit, could you possibly print a picture of her with her legs wide open for me?

MC, Manchester

Kyla says...

ER...no! But I am happy to respond to your letter – you naughty boy!

Dear Kyla,

I DON'T usually go out clubbing but last Bank Holiday weekend I decided to drown my sorrows as the missus left me recently.

I felt a bit out of place at first in the club but after a few drinks I really got in to the swing of things and ended up going back to a flat shared by a couple of babes – one blonde and one brunette!

After a while they disappeared upstairs and after 15 minutes I followed them.

They were in the bathroom, naked and in the bath.

They urged me to join them so I squeezed in and ended up having sex with both of them!

CM, West Yorks

Mr fix-it nails me four times a week

Dear Kyla,

I'M a 36-year-old mum-of-two and I was devastated when my husband left me for a younger woman two years ago.

I didn't sleep for weeks and turned into a virtual recluse.

Then, around three months ago, I had a carpenter in to repair a broken cupboard in my kitchen and my life virtually changed the moment I saw him.

He was a real hunk and very friendly, too. And after he'd done the job I found him some more work – just to keep him in the house a little longer.

When he'd finished the tasks I made him a coffee and we sat chatting for a while and then I plucked up the courage and asked him: "Would you like to have sex before you leave?"

And to my surprise – and delight – he said yes.

A couple of minutes later we were naked on my bed and I was in heaven as he went down on me, licking and sucking on my fanny for ages – until I was nearly squirting.

I then guided his length into me and I was soon near orgasm as he thrust in and out of me and then I came as he shot his love juice deep inside of me.

After a few moments' rest I couldn't wait to get his cock in my mouth and I licked and sucked him to hardness again while gently massaging his swollen balls.

Since then my handsome joiner has been bonking me four times a week – and I'm loving every moment of it.

But the best news is that my husband's young floosie has had enough of him and thrown him out.

Do you think my life has finally changed for the better?

GA, Essex

Kyla says...

GOOD on you, girl. I'm pleased you're having the time of your life with your new man.

Dear Kyla,

I'M the golf professional at my local club and I've been banging one of my pupils – an 18-year-old brunette with massive boobs.

When she first turned up I had a stiffy straight off.

She was wearing a lacey top and a tiny denim mini-skirt.

I was astounded when we reached the 18th hole and she whispered that she fancied gripping my wood.

So I wasted no time in shagging her daft in a bunker.

Then she pulled me out and sucked my throbbing cock.

She wants to go to the States and turn pro herself but I don't want her to – I can't imagine not being able to fill her holes with my love-liquid as we bonk on the course.

RL, by email

Kyla says...

I'M sure she'll need extra tuition before she goes – she's obviously got a high sex drive.

Letter of the day

Dear Kyla,

MY best mate is quite a bit older than me and he has a stunning daughter aged 19 who's a right little minx.

With her perfect body she's got all the blokes in the village where I live lusting after her – even some of the pensioners stop and stare at her legs and arse when she's out jogging up and down the main road!

Last month she asked me to give her some driving lessons at an old disused airfield.

She suggested meeting at the end of her lane as she explained she was supposed to be staying in to do some coursework for next term at uni and she didn't want her dad to know.

When I picked her up she was wearing a short skirt and a low-cut top.

We had barely got out of first gear on the airfield when she did an emergency stop, turned to me and said: "I'm bored with this. Do you fancy a f**k?

But she didn't wait for an answer, as she took off her top and placed my hand on her fantastic breasts.

She peeled off her knickers and spread her legs wide to show me her wet shaven fanny.

We got out of the car and after exploring her minge with my fingers I slipped her a length over the bonnet.

She's now cleared it with her dad for me to give her some more lessons.

But if they all end up like this I see trouble ahead.

What do you think I should do?

SD, Suffolk

Kyla says...

I SEE a major crash ahead. Get into reverse straight away, before this girl makes serious trouble for you with her father – and you end up losing a mate in the process.

MANY an Englishman heads to the East blissfully unaware that the people of the Orient are very different to us.

There is a species of chap who lives in the Thai city of Bangkok who thinks nothing of dressing in the attire of a lady and cavorting with British gentlemen for hard currency.

We may think such travellers' tales fanciful and believe we would never mistake a man in a dress for a lady. But the artfulness of these creatures is beyond the imaginings of the Western brain.

Often too late, an English gent finds himself entangled with a lady of the night who is, in fact, a man with thumping great bollocks.

Why I

By BRAD CHADWICK
news@sundaysport.co.uk

THERE must be a few beautiful women in the Czech Republic who AREN'T porn stars.

But if there are, we still haven't managed to track them down!

This week we ran into 27-year-old Aiwe, who readily agreed to show us her fine, pert 34D puppies.

She told us: "You sexy British men loves your boobies, yes?

Firm

"Haha – Benny Hill! I like British men because they are firm, fair and love my boobies, no? Haha!"

An interesting fact about Aiwe is that her name is Walloon for "water".

As Aiwe is from the Czech Republic and Walloon is actually spoken in Belgium, this speaks volumes for the European integration we all so admire.

CLOSE CALL: Khan was pushed all the way by Algieri in New York

KHAN WON'T WASTE MONEY

Virgil tells Amir to forget it!

AMIR KHAN will need to produce the biggest boxing shock since Buster Douglas stunned Mike Tyson to beat Floyd Mayweather Jr.

That's the opinion of his trainer Virgil Hunter after the Briton come through a nerve jangling points win over Chris Algieri.

Khan insists he deserves next shot at Mayweather despite dicing with defeat against gutsy Algieri in their Brooklyn thriller on Friday night.

Two judges made the Bolton man a ridiculously wide 117-111 winner of the welterweight 12-rounder, with third score of 115-113 closer to the truth.

Yank critics dismissed Khan's chances if he gets next crack at the pound for pound king in Las Vegas on September 12.

Tyson was toppled by Douglas back in 1989 and Hunter warned: "Like a Buster Douglas did against Tyson he will need to take it to another level against Floyd.

"I have to be honest , when it comes to Floyd Mayweather, he will have to be diligent and fight like a young pup does and fight over his head.

"If Amir can handle the pressure for a fight of that magnitude , I am confident he will give a good account of himself."

Khan is convinced he will cause a shock, and says: "Styles make fights and Floyd's style suits me.

"Floyd wanted me to prove myself at welterweight and I have proven myself. I have answered the questions and it is time for the Mayweather fight to happen

"Where does Floyd go from here? Who else is there for him to fight?

"I m ready and that is a fight I have chased for a long time and it should happen."

Khan, 28, who jets homes today should know in the next two weeks whether he has been granted a ring audience with Mayweather.

"Amir had pressure because Mayweather questions kept coming, and it wasn't easy to keep him grounded because the talk of whose next kept coming," added Hunter. Khan who won for 31st time in 34 fights only truly got to grips with Algieri in the second half of their contest.

More than 7000 fans were on the edge of their seats with Manchester City aces Joe Hart, Vincent Kompany, James Milner, Bacary Sagna and Samri Nasri all ringside rooting for Amir.

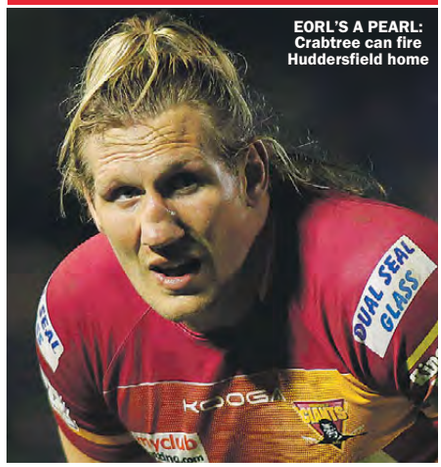
Disappointed

Khan's class told against the New Yorker, but he was caught too often and lacked the firepower to unsettle a tougher opponent than many expected.

Algieri thought he won moaning: "I thought it was my fight and I am disappointed with the outcome. I want to watch the fight and score myself."

Khan is must watch boxing. A world class fighter with world class vulnerabilities, and he even admitted: "I will go back to the drawing board. I did a lot of things wrong."

BOOKIE BASHER



EORL'S A PEARL: Crabtree can fire Huddersfield home

Our 9/2 treble's a magic bet

WE love Rugby League here at the Basher, really we do.

And we have never understood why the game remains confined to Lancashire and Yorkshire. The desire has always been to spread to gospel to the south of England.

So where are the RFL staging this Saturday and Sunday's Magic Weekend? Newcastle. Good work fellas.

But there are three decent betting opportunities in today's televised games, all on Sky Sports 1. First up is Huddersfield v Catalan and you have to wonder who would win in a fist fight between a Giant and a Dragon.

At first glance it's a close call with Hudd lying two points and two places above the French lads.

Defence is the Dragons' achilles' heel and they have conceded 403 points compared to Huddersfield's 214, an excellent tally which makes the Giants' defence the tightest in Super League.

It gives them a points difference of +110 while the Dragons' tendency to both score, but more significantly concede at will gives them a stat of -4.

So HUDDERSFIELD GIANTS have to be the pick at 11/10. Dragons are 5/4 and the draw is 20s (rarely happens).

If you do the spread betting, this is sure to be a high-scoring affair so buy, buy, buy.

The most intriguing tie is St Helens v Warrington Wolves.

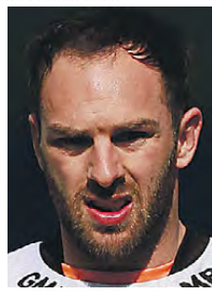
Only four points separate Saints from the Wolves after Warrington's stunning late form with high-margin wins over both Salford over Salford and Dewsbury (Challenge Cup).

In fact the only game which ruined a nap-hand of victories was a defeat by the narrowest of margin, 27-26 against Hull.

Saints lie second to Leeds and four places above today's rivals.

But their defeats to the Rhinos last month and the Dragons three weeks ago showed you can beat them if you get among them. Both rivals in those defeats were very fast to close them down and WARRINGTON will surely have done their homework.

So we will take the Wolves at 13/10, with Saints faves on 5/6 and the draw again is 20s.



CAS MAN: Luke Gale

The fur might be flying when CASTLEFORD TIGERS take on Wakefield Wildcats but we very much doubt it.

A Tiger is much bigger than a Wildcat and boy doesn't the league table show it?

Woeful Wildcats have picked up four points all season and sit comfortably bottom of the pile.

They have conceded at a whopping 177 points more than any other side and scored at least 66 fewer.

Cas are pretty tough and consistent (won seven, lost seven) and while we never recommend odds-on shots if we can help it, especially at 1/6, they are certainties and can add a few pennies to the treble and provide a bit more interest.

BET: 2pts treble Huddersfield, Warrington, Castleford, pays a shade over 9/2.

Big Boys should leave FIFA to rot

THE speed at which Sepp Blatter's chickens are coming home to roost is such that, by the time you read this, the horrible little troll that has blighted our beautiful game since he started sticking his sickening mush in the world footballing trough back in 1998 may have been removed – and hopefully arrested.

Although he increasingly looks like one of the famous Mafia 'Teflon Dons'. Watching the US spring into action is like watching Eliot Ness' relentless pursuit of Al Capone.

FIFA's fatal mistake was to mess with the Americans. Something you only do once – and live to regret it.

How ironic that a nation so late to get involved in the game should be championing its salvation, while all we did when we were obviously conned out of our chance of hosting the World Cup was to whine to each other about it.

The moment Russia and Qatar were revealed in the draw to host the 2018 and 2022 World Cup Finals I said the best way to respond to this joke of an organisation ruining our game was for the major footballing federations to show some balls and boycott.

It's easy. Football has proved time and time again that people power works. The ordinary fan on the terraces would support a boycott. I'd happily sacrifice one World Cup if it meant the game was run properly.

But it can be done much quicker than that. The moment the footballing associations of Brazil, Argentina, England, France, Spain and Italy decide to take matters into their own hands Blatter's empire will crumble.

Let FIFA continue with their version of the World Cup if they wish. Let the Russians and Qataris enjoy a tournament with the last few z-list countries blind, stupid or scared enough to stick around.

Blatter can no longer carry on regardless like a fiddler on the Titanic. For me, his ship can't sink quickly enough.

FAREWELL TO A KING

AS Liverpool said goodbye to Steven Gerrard last week, the permanent loss of a Merseyside midfield legend from across Stanley Park was being mourned.

Andy King, who played most of his football in the blue of Everton, died this week aged just 58.

He scored one of the best Merseyside derby goals ever seen (just Google 'Andy King's winner against Liverpool 1978 and you'll see it).

MERV'S FACT HUNT

Last week I asked: Which was the only nine-goal Premier League match during season 2014-15? The answer was: Everton 3-6 Chelsea, Goodison Park, 30th August 2014. This week's FA Cup Fact Hunt is: Which was the only FA Cup Final contested between the clubs that finished first and second in the League? Answer next week...

HE'S SAM PLAYER: Manoa

YANK SAMU THE BEST BAA NONE

RUGBY UNION: By TREVOR CLEMENTS

OF all the things you might add to one of the tastiest fixtures of the end-of-the-season delight which today's England versus the Barbarians shindig is . . . an American.

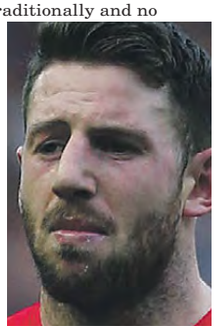
For those of you who don't know your egg chasing, we stretch a point at calling the game's finest international fayre a proper Six Nations contest.

It is the Five Nations traditionally and no disrespect to the lads from the land of those fine fellows who gave us spaghetti, lasagne and white flags . . . it is essentionaly a sport for countries with a link to Great Britain — plus our French friends of course.

So step forward the potential star of today's show — Samu Manoa.

He turns out for the US Eagles.

He has played with distinction for Northampton this term, but sadly he is leaving these shores for Toulon in the summer (bad move, son, you won't get many pints of Frog Island bitter over there, they only serve the ladies' drink — white wine).



IN FORM: Cuthbert

Impressive

Manoa said: "I have completely enjoyed my time at Saints but there are 10 of us heading for the exit and that isn't too wrong.

"Onwards and upwards.

"It is time to give some new players a chance after losing in the play-off."

The Baa-Baas were impressive without ripping up trees in a 22-21 win over Ireland this week, the same winning margin of a single point against the Boys in Green for an amazing third time in a row.

And for a team which celebrates international prowess delivering pain inflicted on local soil, it was a British lad who stole the show.

Cardiff Blues winger Alex Cuthbert was on the scoresheet when, after less than five minutes, some serious Barbarians' pressure down the right hand side created a gap and he went in.

It was chess-play thereafter.

However, the Barbarians extended their fine record against Irish teams as Cardiff Blues wing Cuthbert snapped up his second try in fine style.

It followed a period of pressure during which the invitational side had several charges at the line and Cuthbert just got the ball over before the conversion sneaked in via the inside of the far post.

Great games these Barbarians tours and another which should ensure a sellout Twickenham crowd this afternoon.

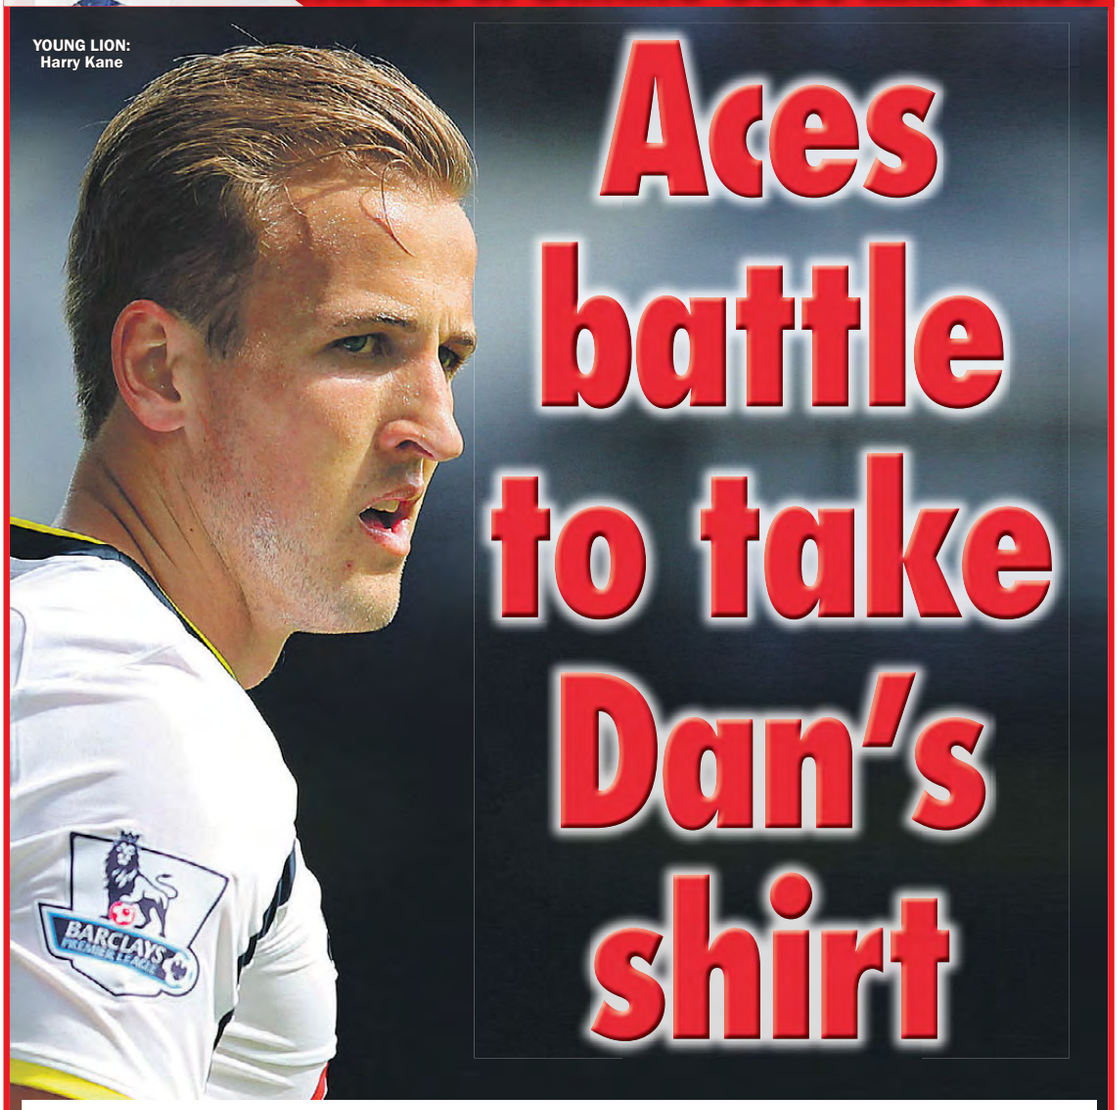
WITH HIS SPORTING ODDS AND ENDS



YOUNG LION: Harry Kane

Aces battle to take Dan's shirt

ARSENAL'S Danny Welbeck missed yesterday's FA Cup Final and has been ruled out of England's Internationals with the Republic of Ireland and Slovenia.

INGS AND KANE FIGHT FOR SPOT

His absence leaves the door open for Danny Ings and Harry Kane to lay a marker down to be England's 'Number Nine' in next year's European Championships in France.

Kane and Ings will be part of Gareth Southgate's England squad for the summer's U21 European Championships in the Czech Republic and BetVictor make the Three Lions 5/1 third favourite to reign supreme.

Germany's youngsters are 5/2 (From 11/4) favourites and will be a notoriously difficult side to beat, and warrant supporting at the head of the market with a favourable route to the final.

Portugal are England's biggest danger to success in Group B and are the 7/4 favourites to top the group and 4/1 second favourites for the Euros however England's wealth of attacking options up front should fire them through.

A likely front three of Ings, Saido Berahino and Kane have combined for 49 Premier League goals and should guide comfortably England to a semi-final berth at the very least; England 1/2 to progress to the knockout stages, 15/8 to top the group and 9/2 to lead home a 1-2 with Portugal in second place.

Whilst speculation continues to link both strikers with summers transfers, Ings appears more likely to move than Kane, and has been backed into 3/4 (from 12/1) to be plying his trade at Anfield next season. Liverpool have emerged as front-runners to sign the soon-to-be out of contract striker however there is similar interest elsewhere and Spurs the value at 2/1 to secure his services next season.

With the Red Devils already securing the services of Memphis Depay for a reported £25million next term then surely Spurs would appear the value in a potential all-England partnership up-front.

Cristiano Ronaldo continues to be linked with a return to Manchester and with Rafa Benitez the current 1/66 favourite with BetVictor to take over at the Bernabeu, the three-time Balon D'Or winner appeals at 4/1 to be back at Old Trafford when the Summer Transfer Window closes on September 3rd.

There has been no love lost on the pitch between Ronaldo and the world's most expensive player Gareth Bale, with the latter crucified in the second half of the season by the Spanish media.

Madrid President Florentino Perez insists the Welsh maestro will remain at the club, which could prompt CR7 to request a move this summer.

The combination of Benitez's ruthless mentality, a constant battle with Gareth Bale, and Madrid's longing to bring David De Gea 'home' all appeal as factors to Ronaldo joining Louis Van Gaal's new-look Manchester United side next season.

LIVERPOOL MUST SHELL OUT FOR SAINTS STAR

CLYNE COST HITS £15M

LIVERPOOL will have to up the ante by a massive 50 per cent if they want Southampton's ace defender Nathaniel Clyne.

By MIKE MURRAY

Last season's raid on the south-coast Saints didn't exactly crack the flags with Adam Lallana largely ineffectual, Liverpool-fan Rickie Lambert barely afforded a start and defender Dejan Lovren, well, less said the better.

But the Reds are ready to trust in the Saints once again and Clyne fits the bill.

Anfield's original offer of £10million kopped as much respect as a fart in a lift and the St Mary's bosses have told Liverpool 'no chance'.

Sources say they might sell at half as much again but, even then, it is a sellers' market.

So 20 mill might be the final deal of the cards.

Boss — for now — Brendan Rodgers is a big admirer of Clyne and sees the 24-year-old defender as the ideal replacement for Glen Johnson, who will leave Anfield as a free agent this summer.

Southampton value Clyne at around £20m and director of football Les Reed hasn't given up hope of convincing him to stay on the south coast.

However, he's about to enter the final year of his existing deal and if Clyne informs them that he wants to join Liverpool then Southampton will reluctantly do business for around £15m rather than risk losing him for nothing in 2016.

Clyne was one of the star performers in a Southampton team which surpassed all expectations en route to finishing seventh in the Premier League — just one place and two points adrift of the Reds.

Linked

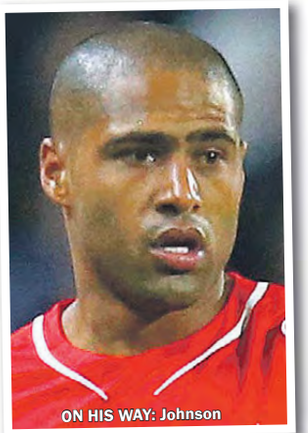
He scored three goals in 42 appearances, including one in front of the Kop in Saints' 2-1 defeat to Liverpool on the opening weekend last August.

Clyne was handed his full international debut by Roy Hodgson against Slovenia last November and has gone on to establish himself as England's first choice right-back.

Manchester United have also been heavily linked with a move for Clyne but their interest appears to have cooled as Louis van Gaal pursues other targets.

Right-back has been a problem area for Rodgers with Johnson's form nose-diving and Liverpool opting not to renew the veteran's contract.

There might still be fog on the Clyne but expect it clearing soon.



ON HIS WAY: Johnson

BIG MONEY: Saints want £15m for Clyne

PARTING SHOT: Jonas

Jonas in dig at Ashley

NEWCASTLE midfielder Jonas Gutierrez had one last go at Mike Ashley as the Argentinian leaves the club.

He says the owner gave him no support when he was diagnosed with testicular cancer.

He's beaten the disease twice and became a cult figure with the Toon Army.

The 31-year-old even scored the goal that helped keep Newcastle in the Premier League.

But that didn't change the fact that he's not being offered a new contract.

Gutierrez took to Twitter to make his feelings clear.

He said: "Two things I learn from my illness how you can support a player (Newcastle fans) and how you leave a player alone (Newcastle owner)."

And he paid tribute to the Toon Army, saying: "Thanks to all football fans and Newcastle fans for supporting me. This is a way to demonstrate I always hear you. You are important to me, football wouldn't be the same without you. All my effort and affection is for you!"

FERDINAND CALLS IT QUITS

RIO FERDINAND has joined Steven Gerrard and Frank Lampard by saying goodbye to English football.

But unlike those other former Three Lions skippers, he's decided not to head to the States and hang up his boots for good.

The 36-year-old former West Ham, Leeds and Man United centre-back says it's the right time to go.

He didn't figure a lot for QPR last term and had to cope with the death of his wife from cancer.

He said: "After 18 years as a professional footballer I now feel it's the right time for me to

By ANDY MILLOM

retire from the game that I love.

"As a 12-year-old boy, kicking around a football on the Friary Estate in Peckham, I never dreamt that I would play for my boyhood club West Ham, captain Leeds United, win the Champions League with Manchester United, or re-join my first manager Harry Redknapp at Queens Park Rangers.

"I will always regard the 81 times that I played for England, with immense pride. These are all treasured memories that will last a lifetime. I'd like to thank Chris Ramsey, Harry Redknapp, David O'Leary and David Moyes who managed me at various times in my career, all the backroom staff who looked after me over the years, and the players that I played with.

Former Man United team-mate Paul Scholes led the tributes to Ferdinand.

He said: "He was a great player, without a doubt the best centre-half I ever played with.

"I would say for a time as well he was the best centre-half in the world. He was such a pleasure to play with and play in front of. To play in front of him, he made your job so easy."

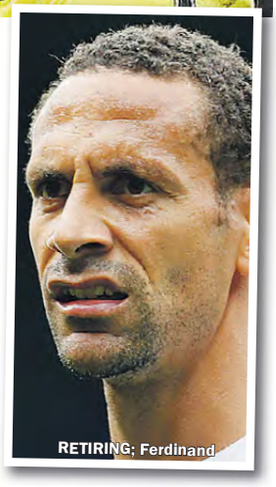
Ferdinand made a big impact as a teenager when breaking into the West Ham side, winning his first cap for England before his 20th birthday in 1997.

He was part of Leeds United's megabucks era and moved to Elland Road for a then massive £18 million.

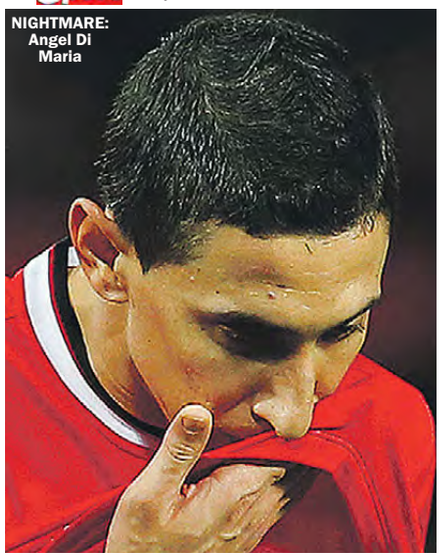
He upset the White Rose faithful when shifting across the Pennines to Old Trafford for an even bigger £29.1m in 2002. That deal made him the most expensive defender in the world.

Michael Owen played alongside Rio for England and is in no doubt about his quality.

He said: "What a player he was, absolute Rolls Royce of a defender."



RETIRING: Ferdinand



NIGHTMARE: Angel Di Maria

SCHOLES BELIEVES IN ANGEL

THE Red Devils' most famous red-headed red has urged Manchester United to solve a problem like Di Maria.

Paul Scholes, now a TV pundit, admits Angel Di Maria has been a flop. But he says it would be wrong to ditch him.

United stalwart Scholes has seen plenty of foreign players come and go at Old Trafford and admits Manchester can be a difficult city in which to find your feet.

But he added: "For £59.7m, the hope was that he would give United much more.

"I accept he has had problems off the pitch settling into life in Manchester, but there is no way he can see the season as anything other than a disappointment.

HOPEFUL: Scholes

"This was, after all, the best player in last season's Champions League final.

"Nevertheless, the quality is there and I don't think United can afford to lose him.

"They need that kind of player if they are to compete in the Champions League.

"Let's see what next season brings."

The 27-year-old Argentinian has endured the sort of bitter-sweet symphony in his first season at United that The Verve would be proud of.

Sniffing

Only seven times in 38 has he started in the league and remained on the turf for the full 90.

Paris St Germain are permanent suitors and are sniffing again.

They courted Di Maria before he came to England but he preferred his prospects on Salford Quays.

He started the season brightly and was three goals from five in August/September.

But then it all went tits-up culminating in a sending off in the FA Cup quarter-final against Arsenal.

He added only one more goal to those opening trio and his 10 assists all season is not a fantastic return for a creative midfielder.

But Scholes insisted: "You have to give players time to settle into the style and pace of British football.

"Look at Thierry Henry's first season at Arsenal. He was slightly better than pedestrian.

"Then look at his second term report and beyond. Sensational player.

"In my opinion Di Maria could do the same and United should not sell him."

Meanwhile, Dutch legend Marco Van Basten has tipped new United signing Memphis Depay to be a massive success in the Premier League.

He said: "He's a special talent. He's better than the rest.

"He's a young star who is strong and has his own ideas, which I think is a good thing for a player.

"He's also a guy who still wants to learn and he's in good hands with Louis van Gaal who has already worked with him at the World Cup.

"He now has to demonstrate that he can also play well in England. He will show that to you."

ALL THE FA CUP FINAL ACTION:

HE'S COTT

Theo hurts Villa..with help from Sanchez

By JOHN ANTHONY

THEO WALCOTT and Alexis Sanchez were the star turns as Arsenal won the most one-sided FA Cup final in 20 years.

Right from the kick-off the Gunners were right on top and Walcott repaid his manager's faith with a fantastic strike just before the break.

Sanchez matched the England man with a 25-yard screamer just after the break and Aston Villa just had no answer.

Per Mertesacker added to Brummie woes just after the hour with a headed strike from a corner.

And sub Olivier Giroud completed the rout in stoppage time.

It could have been worse had the Gunners taken their other chances.

Arsene Wenger will be relieved that he stuck with Walcott as he might have restored Olivier Giroud to the attack.

But he kept faith with the forward and decided to play him in the same central role that brought a hat-trick against West Brom in the final league game of the season.

The Frenchman decided to make three changes to that side despite them playing so well.

Wojciech Szczesny kept up his new role at the club's cup keeper, while Laurent Koscielny and Nacho Monreal were brought back into the defence.

Changes

Further up the pitch, there was little place for sentiment as Aaron Ramsey replaced Jack Wilshere in the middle of the park.

Tim Sherwood shuffled the pack too with four changes from the side that went down 1-0 to Burnley.

Shay Given was declared fit to play in goal and defensive changes were made with Alan Hutton and Jores Okora coming in alongside Kieren Richardson at full-back.

And it was the former Manchester United and Sunderland man who won praise on 23 minutes for a fantastic block of a Walcott shot that looked destined for the back of the net.

Arsenal had already had a couple of good chances before that. On eight minutes, Koscielny got the better of an aerial duel with Christian Benteke but his header floated just over the bar.

Then Given looked more like a teenager rather than a 39-year-old in pulling off a superb save.

Again it came from a Koscielny close-range header and the Irishman showed incredible reflexes to keep the ball out.

It was just one of many openings the Gunners created as they dominated the first half. Mesut Ozil was at the centre of much of the attacking and he was involved again as Ramsey saw his shot test Given five minutes later.

Then came the opening goal and one that Arsenal richly deserved.

Alexis Sanchez rose highest to nod a Monreal cross into the path of Walcott who smashed a left-footed shot past a helpless Given.

Any ideas that Villa could turn things around were shattered five minutes after the break. Sanchez showed why he's one of the best forwards on the planet with a real cracker.

He picked the ball up 25 yards out and smashed a swerving shot that brushed the crossbar on its way past Given. After that, the Gunners threatened to embarrass the Villans and Given had to be sharp again to keep out a Cazorla effort from 15 yards out.

But he could do nothing on 61 minutes when Mertesacker found himself alone five yards out to head into the net for 3-0.

And he had to pick the ball out of the net again in stoppage time after Giroud struck after coming on as a sub.

CRISIS: McCall

Gers struggle to get team on the pitch

Motherwell (3) v Rangers (1)

SCOTTISH PREMIERSHIP PLAY-OFF SECOND LEG
Sunday, 3pm – live on BT Sport 1

RANGERS are battling an injury crisis ahead of their trip to Fir Park.

They are already struggling at 3-1 down to Motherwell in the Premiership play-off and boss Stuart McCall isn't sure just who will be playing in their most important match for four years.

He admits that three or four players who are carrying injuries will have to play a part.

It's been a long season for the Light Blues who have gone through a punishing play-off run while Motherwell sat and put their feet up.

McCall said: "At this point, you just have to say you'll go with what you have got.

"I worked with the players and there are some major doubts about a few of them. Three or four of those will be involved.

"And there are question marks about whether a few of them are just running on empty."

STILL ALERT: Baraclough

Giants

And McCall is refusing to write his side off despite them having to overturn a two-goal deficit.

They were very much second best in the first leg at Ibrox and that's led to talk that the Glasgow giants have got nothing to lose.

But McCall doesn't see it that way and has fired up his players.

He said: "I don't like saying we have nothing to lose, because we have a place in the Premiership to lose.

"No-one is going to give us much hope outside our dressing room, so whoever gets the opportunity to wear that jersey on Sunday has to give everything they've got.

"I don't want any faint-hearted, weak-willed or nervous players on Sunday.

"I just want men. I want people to take the game by the scruff of the neck and do everything they can.

"Let's guarantee that they give everything from the first whistle to the last whistle.

"It's the last game of the season.

"They can go away and rest after it, but don't come off the park on Sunday thinking you didn't give everything they've got."

It is a similar tale with Well boss Ian Baraclough.

He's battling against complacency in his side but knows a two-goal deficit could easily be turned around.

He warned: "This tie is not over.

"Nobody is getting ahead of themselves before the second leg.

"We need to put in another 95-minute shift as we did at Ibrox.

"That's probably the best performance in my time and we'll need to produce another one on Sunday.

"We'll need to be controlled and calm to make sure we get the job done."

WONDER WAL!

Theo strikes as Gunners walk it at Wembley

CHEER UP: Villa fan Prince William looked gutted

THEO WALCOTT paid tribute to his boss as Arsenal battered Aston Villa.

By TREVOR CLEMENTS

Arsene Wenger had a big decision to make on whether to stick with the England man or recall Olivier Giroud.

He made the right call as his Gunners won easily to give him his sixth FA Cup win and no manager has won more than that — Sir Alex Ferguson and all.

And Walcott was full of thanks: "We played great footy today — and we have to thank the manager.

"This team is blessed and there must be more trophies next year.

"To be part of this today is a dream — we have all worked so hard."

It was Walcott who set the tempo with a superb strike just before half-time. And when Villa were trying to get back into it they were hit by a stunner from Alexis Sanchez.

He found himself in a yard of space 25 yards from goal and banged an unstoppable shot past Shay Given.

The nightmare was made worse when Per Mertesacker made it 3-0 with a free header.

And the top hat was put on it when sub Giroud made it four in injury time.

Villa fan Prince William had a cob on in the royal box, but it was Arsenal who reigned supreme.
